This matter comes before the Public Service Commission of South Carolina (the Commission) by way of a tariff filing on January 15, 1991, by Southern Bell Telephone & Telegraph Company (Southern Bell) seeking approval of revisions to its general subscriber service tariff. The purpose of the filing is to change the rate structure for the interconnection of public customer provided equipment to the public switch through Southern Bell. This filing was made in response to a stipulation entered into between Southern Bell and the South Carolina Public Communication Association.

After this tariff was filed, the matter was duly noticed to the public and a Petition to Intervene was filed on behalf Pay-Tel Communications, Inc. and Coin Telephones, Inc. (the Intervenors).

On June 10, 1991, a stipulation was filed with the Commission on behalf of the South Carolina Public Communications Association and its members, Southern Bell, and the Intervenors herein.

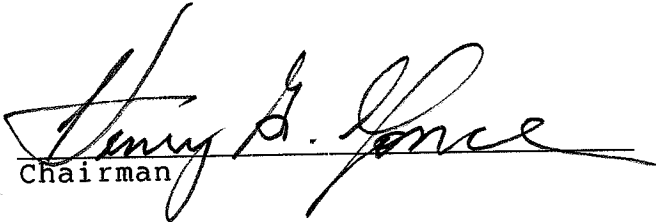

The stipulation concerns the rate structure and level for interconnection of non-Southern Bell pay telephones to the network of Southern Bell in its franchised territory in South Carolina and the rate structure and level for interconnection to the network of Southern Bell in South Carolina of non-Southern Bell pay telephones located in confinement facilities for which the approved charge for a local call is 10¢. The stipulation also called for Southern Bell to file revised tariffs containing the modifications agreed to in the stipulation. Southern Bell filed the revised tariff with the revisions agreed to between the parties. Thereafter, the Commission received a request to withdraw the intervention of Pay-Tel Communications, Inc. and Coin Telephones, Inc.

The Commission has reviewed the revised tariff filing as well as the stipulation entered into between the parties. Additionally, the Commission has considered the request to withdraw the intervention of Pay-Tel Communications, Inc. and Coin Telephones, Inc. The Commission hereby grants the request to withdraw the intervention. In light of the withdrawal of the intervention, the

Commission has determined that the revised tariffs as filed by Southern Bell should be approved. Accordingly, the Docket is hereby closed.
